

Project Profile

Questionnaire

To grant more visibility for your work and projects, as well as to enable matchmaking and connect different stakeholders that can thrive from each other's expertise, we would like to ask you to share your project details.

The information will be added to our so that the Alliance community and other visitors can discover the diversity of working projects that the Alliance members engage with. Please consider that the projects you are sharing should align with the goals and vision of the Alliance to ensure the creation of a specialised hub within the One Health framework.

For **each project**, please provide the following details for the project map:

1. **Title** of project

2. Project **website** if available/existing

3. **Leading organisation** of the project:

4. **Partner organisations:**

5. **Project site:** (*countries*)
